Tee Box Advert Agreement

Each hole consists of two signs - 1 on the Men's Tee- box and 1 on the Ladies Tee-box. There is a R600. 00 upfront fee for your advert to be digitized and placed on the boards.

Thereafter there is a R200 advertising cost payable on a monthly basis. Please note that this fee is billed yearly but payable on a monthly basis.

The hole you choose remains yours until you choose to stop. Yearly inflation increases will take place in January each year. Should the club have not received payment for 60 days or more, the club will be entitled to remove your company's advert and re-sell the hole to other interested parties without any further claims from yourself.
